Management Assertion

Management (the system owner) asserts that the accompanying description fairly presents the AI-governance scope and that the controls described were operated over the reporting period stated above. Evidence and approved exclusions supporting this assertion are itemized in the accompanying traceability matrix and registers.

Asserted by: -

Signature: _____ Date: _____

Compliance Posture

Requirements satisfied: 0 of 33

satisfied by passing evidence: 0

satisfied by approved exclusion: 0

open / not yet satisfied: 33

Per-application posture

support bot - 0 / 33 satisfied

Evidence Summary

Approved evidence rows in scope: 0

By source
